## Thousands Thankful For Col. Dillingham's Visit

Millionaire Advertiser Has Done a World of Good in Harrison County with Wonderful Remedies—Sale of Medicine at Drug Stores Enormous.

No one who has not paid careful attention can appreciate the enormous amount of people who are now taking Col. Dillingham's Plant Juice remedies. From early morning until late at night one continual stream of people flows in and out of the Walker House lot opposite the postoffice and before the night is over probably two thousand people have attended the lecture or entertainment or made inquiries regarding the medicines.

It is very interesting to stand for a few moments in the crowd and listen to the hum of conversation of the different types of humanity; one out of every two is either taking the medicine or has come to obtain some, because they have had direct proof of the power of the remedy through some friend, neighbor, or even members of their own family. On every side can be heard people telling of remarkable cases which they themselves have witnessed of people who have been restored to health in from a few days to three weeks' time. In some peering their experiences to eager listeners, telling of their condition before purchasing the remarkable remedy and of the immediate benefit they have received from its use.

Here will be a happy mother telling how one of her children has been ill for a number of years despite all that could be done for the child, and that finally Col. Dillingham and his remedy had been the means of almost miraculously putting the little one on the high road to health and happiness.

In other parts of the lot will be some one telling of an unusual case of some neighbors who they had known intimately all their life, and who had always been a sufferer, and who was once not able to attend to his or her duties, owing to the Dillingham remedy, no wonder the people of Harrison county are obtaining these remedies in enormous quantities.

Each day the sale increases and each day Col. Dillingham earns for himself a host of new friends. Thursday, the first day which the remedies were placed on sale at Wells & Haymaker's, Stone & Mercer's, R. J. Criss', and D. L. Grove's drug stores, every bottle that had been distributed

was disposed of by them that day. Probably the most remarkable demonstration of the interest the new remedies are arousing is the fact that orders have been received from twenty-three physicians throughout the state who have sent for the remedies, with which to treat their own patients. Among the many who were heard from Thursday the case of Mr. C. H. Blake, who is connected with the Daily News, Mr. Blake suffered for several months with stomach and kidney troubles and called personally to thank Col. Dillingham for the great benefit derived from Plant Juice. Mr. Blake also stated that his mother was also singing the praises of the medicine.

Perhaps one of the most unusual cases is that of Mr. Mamie Nusbbaum, the popular clothier on Third street, as he had been afflicted for several years with rheumatism, which had grown constantly worse so that for the past few years he had been in great pain in moving about. Mr. Nusbbaum secured some of Col. Dillingham's special medicine for rheumatism, called Rheuma-Non. He has taken but a bottle of the remedy and is now apparently completely cured, and so happy over his good fortune that he tells all he meets how well he is feeling and showers blessings on Col. Dillingham's head. Another almost seemingly miraculous case was that of Chief of Police J. E. Sutton, of Salem, W. Va., who was also cured of rheumatism of some years' standing by one bottle of Rheuma-Non.

This is one of the most remarkable cases on record, when it is considered that rheumatism is caused primarily by uric acid in the blood, and it is always a most difficult matter to remove this, and as a rule takes many months of careful treatment by the most competent physicians, and even then often there is no improvement.

When it is considered that only eight doses of this remedy remove all traces of a disease as stubborn as rheumatism, too much cannot be said for Col. Dillingham and his work. When the advertiser leaves the city four days hence his departure will be regretted by a host of Harrison county people who have either been benefited by his remedies or his wonderful remedies.

Joe Glöblich, of Colusa, Cal., writes: "For 15 years I endured insufferable pain from rheumatism and nothing relieved me, though I tried everything known. I came across Electric Bitters and it's the greatest medicine on earth for that trouble. A few bottles of it completely relieved and cured me." Just as good for Liver and Kidney troubles and general debility. Only 50c. Satisfaction guaranteed by Stone & Mercer and Frank G. Bland, Druggists.

## Cured of Chronic Diarrhoea After Ten Years of Suffering.

"I wish to say a few words in praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy," says Mrs. Mattie Burge, of Martinsville, Va. "I suffered from chronic diarrhoea for ten years, and during that time tried various medicines without obtaining any permanent relief. Last summer one of my children was taken with cholera morbus, and I procured a bottle of this remedy. Only two doses were required to give her entire relief. I then decided to try the medicine myself, and did not use all of one bottle before I was well, and I have never since been troubled with that complaint. One cannot say too much in favor of that wonderful medicine." This remedy is for sale by Stone & Mercer.
